

## **Agilent Support Contact Information**

If you have an active Software Maintenance Agreement (SMA) and experience issues with your CID or with the CID Hub, please use the [Jira Helpdesk](#) and log a support request ticket.

Otherwise, for further questions and assistance please visit [Contact Us](#). Select the country where you access to CID Hub under “Worldwide Sales and Support Phone Assistance” section. For United States and Canada press [Phone Tree Navigation Assistance](#) to contact the local support team.

You will receive a response in a timely fashion.
